

College health

markelAH.com

With the excitement of a new school year, some important things like insurance tend to get lost in the shuffle. Markel offers affordable, comprehensive coverage that can be tailored to meet college customers' unique needs. Coverage options include customized comprehensive or low-cost student health plans, as well as special programs for student athletes, international students, and students with spouses/children.

Target classes

- Liberal arts colleges
- Christian colleges
- Community colleges
- Public colleges and universities
- Professional schools
- Technical schools
- Seminaries

Program features

- Flexible benefits
- Hard or soft waiver options
- Web waiver
- Managed care plans (can be paired with PPO network and/or a PBM card)
- Increased supplemental limits and separate coverage options for student athletes
- Special programs for international students, graduate students, and married students
- Companion products available (intercollegiate sports, tuition refund, study abroad)
