

Short term medical

markelAH.com

Everyone needs health insurance, but some people do not have access to employer-sponsored coverage. Recent graduates, workers transitioning between jobs, and entrepreneurs at start-up companies are all examples of people desperately seeking quality coverage at an affordable price. With Markel's short term medical insurance, your clients can have comprehensive coverage for one month or longer, up to one year. Getting coverage is easy. Just provide a special website link to your customers, and everything is handled for you—including detailed reports tracking your accounts and commissions.
