Animal mortality insurance application

This application will become part of any policy issued as a result of its submission. Only horses declared on this application will be covered, unless otherwise endorsed. Coverage shall not be bound until the Company approves the applicant's completed application and premium payment is received. The Company's receipt of premium does not automatically bind coverage until the completed application is approved. In the event the Company does not approve your application, your premium payment will be returned. Sample Policy wording can be provided upon request.
