Safety Video Library Enrollment

Markel FirstComp, the servicing entity for your workers' compensation insurance policy, provides you access to safety videos at no cost in partnership with Wumbus Corporation. Wumbus produces resources and services with innovative technologies to assist businesses with employee safety training. They have developed one of the world's largest libraries of video training programs. Formats available include online streaming and DVD rental with supplemental training tools.

Access to streaming videos and DVD rentals are subject to the terms below. You will be provided a login and instructions upon review and authorization by the Markel FirstComp Loss Control Department.

The following company (Borrower) wishes to participate in the safety video library service, under the conditions listed below and agrees to the following terms:

<u>Company</u> :
