When you're insured through Markel's In-Home Child Care program you get the benefit of having child care insurance specialists with over 30 years of experience on your side. Markel offers solutions that work together to bring you the coverage you need.

We cover what homeowner's policies exclude! The typical homeowner's policy provides liability coverage for personal exposures only. Therefore, your in-home child care business is excluded. Markel's In-Home Child Care program provides coverage not only for most of your normal liability exposures, but also for allegations of sexual abuse.

You must not own any of the following breeds of dog:

- Rottweiler
- Pit Bull
- Doberman
- Mastiff breeds
- Mixed breed where dominant breed is one of any above
