

# Motorcycle accessory checklist

When deciding on the amount of accessory coverage you need, be sure to take into account anything that is not included as standard by the manufacturer. Use this checklist to determine the value of all your custom parts and accessories.

**Please be sure to figure in depreciation when determining the value of each accessory.**

<b>Audio and electronics</b>	<b>Value</b>
<input type="checkbox"/> Antenna	\$
<input type="checkbox"/> GPS device	\$
<input type="checkbox"/> Intercom	\$
<input type="checkbox"/> Radio	\$
